(c) and (d) The power generation targets for thermal, hydro and nuclear units for the year 2007-08 are to be finalized in teh month of February—March, 2007. As per the Draft Report of 17th Electric Power Survey (EPS), the anticipated peak demand of power in the country in the year 2007-08 is assessed to be 1,13,059 MW.

Investments in power projects of States

†2826. SHRI JAI PARKASH AGGARWAL:
DR. PRABHA THAKUR:

Will the Minister of POWER be pleased to state:

(a) whether Government have made any investment in the power projects of the States;

(b) if so, the details thereof as on date;

(c) the total amount of funds invested project-wise and State-wise during the last two years; and

(d) the share of Central Government in it?

THE MINISTER OF POWER (SHRI SUSHILKUMAR SHINDE): (a) to (d) The Power Finance Corporation (PFC) and Rural Electrification Corporation (REC) of the Ministry of Power provide debt financing for power generation projects especially in the State Sector projects. To ensure that good projects do not suffer for want of funds, these organizations have geared themselves to mobilize required funds so that adequate funds are available for all good projects. The year-wise details of sanction by PFC and REC to State generation projecs including Independent Power Producers (IPPs) during the last two years are as under:

(Rs. in crore)

Organization	2004-05	2005-06
PFC	12756	15654
REC	5496	5873
